Roll a Thin Question

A

- Roll the dice.
- How many dots are on the dice?
- Use that word or phrase to start your question.
- Write your question down.

Fold your paper in half, then in half again.

1st Quadrant - Roll a thin question

2nd Quadrant - Roll a thick question

3rd Quadrant - Roll a starter question

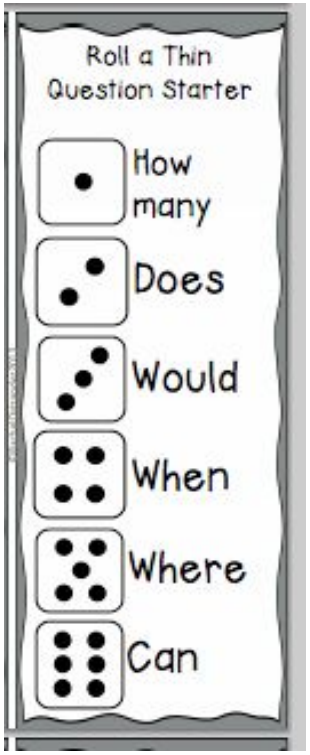

4th Quadrant - Write a question of your own.

Thinking about your questions, what answers or inferences did you make? On the back write a paragraph about the photo.
