FREE
TO SUFFERING
MEN AND WOMEN

Ask us to send you, sealed, free, a book, just completed, which will inspire any man to be bigger, stronger, younger (if he is old) and more manly than he ever felt. We are builders of men.

We can take any weak, puny man and make him feel like a Sandow. Of course, we can't make a Hercules of a man who was never intended by nature to be strong and husky. We don't mean that.

SANDOW GRIP DUMB-BELLS

For men, women and children—the best exercise yet.

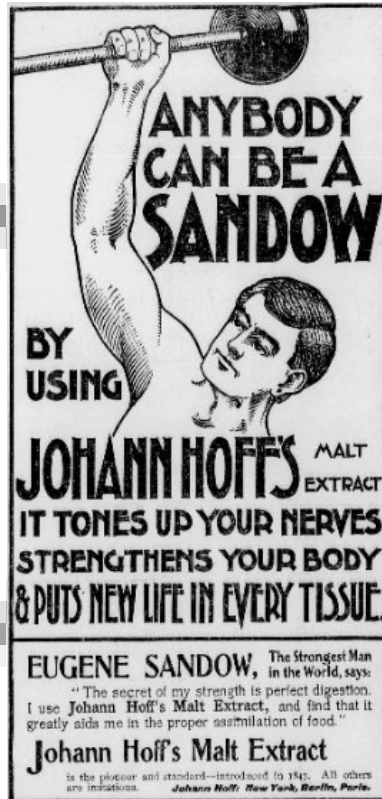

The illustration shows two hands, one on the left and one on the right, each firmly gripping a dumbbell. The dumbbells have a unique design with a central handle and two weights at the ends. The hands are shown in a way that emphasizes the grip. Below the illustration, the text 'SANDOW GRIP DUMB-BELLS' is written in a bold, sans-serif font. Underneath that, a smaller line of text reads 'For men, women and children—the best exercise yet.' The entire advertisement is enclosed in a simple rectangular border.

JOHANN HOFF'S MALT EXTRACT

**IT TONES UP YOUR NERVES

EUGENE SANDOW, The Strongest Man in the World, says:
"The secret of my strength is perfect digestion. I use Johann Hoff's Malt Extract, and find that it greatly aids me in the proper assimilation of food."

Johann Hoff's Malt Extract
is the pioneer and standard—introduced in 1847. All others are imitations. Johann Hoff, New York, Berlin, Paris.

SANDOW TO-NIGHT.

Sandow, the great and graceful Hercules, with his own vaudeville company will be at the Hyperion to-night. This is his farewell tour as his college for physical development, which is being built for him in New York, will soon be completed. The building now being erected is a fac simile of his London and Parisian colleges, where it is said he has over 10,000 pupils. Not only does
