## ALBUM WHEN CITIZENS TAKE TO THE STREETS

### Album Description

What images can we find in the Library of Congress that depict times of protest and unrest in the United States? Students can investigate the historic events that brought Americans into the streets and research outcomes and results. Please add other Library of Congress primary sources on street protests to this album.

### Teaching Notes:

Thank you,  Cheryl Davis , for starting this timely and important Album which will also help students understand differences among protests, demonstrations, marches, rallies, parades and even to the level of riots.

## 2012 GAY PRIDE PARADE, SAN FRANCISCO, CALIFORNIA

### Teaching Notes:

The San Francisco Lesbian, Gay, Bisexual, Transgender Pride Celebration, usually known as San Francisco Pride, is a parade and festival held at the end of June each year in San Francisco to celebrate the lesbian, gay, bisexual, and transgender (LGBT) people and their allies. The 40th anniversary parade in 2012 included over 200 parade contingents.

This event is listed as a parade. Additional photographs of Carol M. Highsmith documenting the 2012 event are available [here](#).

An American Folk Life blog post "Gay Pride Parades: Identity, Protest, and Tradition" brings to light differences between "Parades" and "Protests."
