

ALBUM POSTERS WITH SCIENCE CONNECTIONS

Album Description

The posters from the WPA collection were designed to publicize exhibits, community activities, theatrical productions, as well as health and education programs in seventeen states and the District of Columbia.

The posters could be used to focus on one concept or a broad range of topics. Students could explore recycling, safety, health and national parks through the WPA collection.

Teaching Notes:

Amara Alexander, your poster / science album is fun, thoughtful, and a great idea! I also noticed some math/geometry connections with some of the shapes. Neat idea!
